**Montebello Unified School District
Safe Schools/Healthy Students Grant Initiative**

Take a Second, Make a Difference

March 2011 Newsletter

In Fall 2010, 23 Montebello Unified School District staff members, representing 12 school sites, were awarded **Safety Stars** for their innovative and creative efforts to get the word out about how to prepare for unforeseen emergencies that could threaten the safety and security of their building and students. These clever teachers took to heart their 77 hours of *Readiness and Emergency Management for Schools* training by providing efficient, easy to read instructions, phone trees, color-coded maps and materials, as well as excellent drill preparation. They deserve our gratitude and congratulations for going that extra mile to ensure that our kids can remain safe despite whatever emergency might occur.

You people are awesome – Thanks a million!

Carlota Arevalo
Greenwood Elementary
Carlota did an outstanding job creating emergency clipboards for each member of her team!
