PASADENA POSITIVE FUTURES PROGRAM

A partnership with:
Pasadena Unified School District
Pasadena Police Department
LA County Sheriff's Department
Los Angeles County District Attorney's Office
LA County Department of Mental Health
LA County Department of Probation
Learning Works
Pasadena City College
Social Model Recovery System
Pacific Clinics

Pasadena Unified School District's Prop 47 grant program: Pasadena Intervention and Directional Alternatives (PIDA), in partnership with the agencies listed above, expands our community's capacity to effectively meet the needs of juveniles in the criminal justice system. PIDA significantly expands Mental Health services; Substance Use Disorder Treatment; and Diversion Programs that include job skills training, job placement, mentoring, and housing support to our homeless and foster population. Our Prop 47 grant program offers a second chance to teen offenders of minor crimes and provides important life-skills that are needed to get their lives back on track. Our PIDA project contributes to overarching, long-term policy and system change and will vastly expand our existing safety net, Pasadena Positive, to include additional services for our target population, as well as strengthen our relationship with existing diversion programs. We anticipate our Prop 47 program will also result in cultural changes that divert resources from incarceration and maximize alternatives for less serious, nonviolent offenders.

Any parent/guardian needing help can contact our office for assistance.

*Monthly meetings are conducted.
Should you wish to attend,
please contact Julianne Reynoso –
